

Unit 157 Board of Directors Meeting
November 12, 2010
Birmingham, AL

Attending: O.T. Johnson, Ann Lilly, Bill Parrish, Len Block, Chris Caine, Ann Richmond, Eileen Hedrick, Dane Kusler, Iris Bjorn

The meeting was called to order by Unit 157 President, O. T. Johnson.

The only item on the agenda was the proposal made at the October meeting. This proposal was to have a Unit 157 agreement in place to limit the number of masterpoints a player may have to participate in a non-life master tournament held by one of the member clubs of the unit to less than 500. The proposal below was put in the form of the motion here:

Unit 157 will only allow member clubs to sponsor Non-Life Master Tournaments where the maximum allowable master point holdings for any individual participant is less than 500 master points.

The motion was seconded and was approved unanimously.

The meeting was adjourned.

Respectfully submitted,

Ann Lilly
