Minutes of the last board meeting was sent out by email to all the members. Motion to accept minutes as read was made by Dave, seconded by Mary. All agreed and the motion passed.

Treasurer's report was given by Buddy Massey. We made\$ 2500 on the last tournament which was pretty much the same as last June and September's tournaments, better than January of last year. Total tables was 135.

Dave reported that Mike Moses was concerned about cash donations for this tournament were down about \$150. He wanted opinions about this and how to improve for future tournaments.

We usually have 4 tournaments a year, 3 sectionals and 1 life master.

Typical donation is \$20 average and bringing in food. This past tournament, had to go out and buy food and drinks for a cost of \$400-500.

Jay suggested sending out emails to all members asking for donations in advance.

Dave made a suggestion that we think about having a non-master regional tournament along with a life-master sectional tournament at the same time for October. He will research this and send out e-mails to the board members to consider at the next board meeting in March.

Old Business:

Flyers for tournaments, Mike Kayes will do the flyers but will need help until after his eye surgery is over. Dave will assist with the flyers.

Parking lot report was given by Richard. He has not been able to find a company willing to do the job at this time.Dave felt we need to have some one to direct parking ,to create more spaces by parking diagonally in a proper manner.

Mike Kayes made a point about the lack of personal hygiene. Washing of hands. Perhaps a sign up in the bathrooms reminding people to wash hands after using the bathroom. Also leaving the ice scoop in the ice machine. Need a sign to place scoop back on counter or in a holder.

Motion was made by Mary Schaurer to adjourn meeting, seconded by Buddy, all agreed and the meeting adjourned at 4:40pm

Respectfully submitted by:

Betty OBrien, secretary
